

# Write Out of the Box!

Write Out of the Box is a fun interactive workshop designed to increase participants' knowledge of fine motor development as it relates to children's handwriting abilities. Educators will walk away with effective activities and strategies to grow the muscles required to print!

All participants will get a book by the presenter with practical, ready to go ideas!

**Tuesday, May 10th**

Follow up session:  
**Tuesday, May 31st**

**4:00 - 5:30 PM**

Presented by the OC ETFO/FEEO Kindergarten Committee
