

# Take Back the Night

**September 21, 2023**

“Take Back the Night” activities are designed to raise awareness of safety issues for women, transgender people and children and to protest the harassment, sexual abuse and assaults experienced by members of our communities. In particular, “Take Back the Night” is about women, transgender people and children reclaiming the right to be free of violence and to be able to walk without fear, particularly at night.

**End the silence, stop the violence !**

ETFO has provided flashlights to participating members of our local as a small token of their support.

OC-ETFO/FEEO will cover childcare or dependent costs. Please let us know if you have accessibility needs or if there are barriers to your participation.
