2SLGBTQ+ AWARENESS IN PRIMARY CLASSROOMS

Hosted by the OCETFO 2SLGBTQIA+ Committee

This workshop acknowledges that our youngest students can be best situated to both learn and share their understandings of gender identity, inclusion, and 2SLGBTQ+ issues. The workshop is designed to assist educators in building intersectional communities by exploring these issues through access to information, supportive policy, and available resources.

APRIL 16, 2024

4:30-6:00
