Teachers who have found an exchange partner, must complete one application form for approval by the two Principals/Superintendents.

Teachers who have not found a partner can navigate to Google Groups. You will see a group called **HR-Elementary Job Share/Exchange Conference** by searching on all groups. This conference allows Elementary contract teachers to post expressions of interest in exploring a job share or inter-school exchange (i.e. elementary school to elementary school). If you find a willing partner, then please submit the required application form as set out in this bulletin.

**Approval / Denial Process:** HR Advisors will confirm approval or denial of all exchanges in writing by May 1, 2026, to be effective at the commencement of the next school year, subject to surplus and redundancy procedures.

For further information, please refer to the [Elementary Academic Webpage](#), or contact your HR Advisor.
